

Community Outreach Session

The Guelph-Waterloo Partnership in Biotechnology (GWPB) invites you to attend our second community outreach session on **Tuesday December 9, 2003** from 9:00 a.m. to 11:00 a.m. at The Ramada Hotel & Conference Centre (716 Gordon St., Guelph).

In late October, 90 community stakeholders attended our first outreach session and provided useful comments and critiques as we presented the GWPB goal of creating a bio-science cluster for the Guelph-Waterloo area.

We would like to invite previous participants and new participants to attend our next outreach session where we will present our preliminary findings and SWOT analysis.

We are asking for your input, comments and validation of the work-to-date and your suggestions as we move ahead in the development of a regional innovation plan. Your input would be very valuable as we move ahead in the project.

GWPB invites individuals who are involved in, or who are interested in, the promotion of bio-science research and commercialization as well as the development of manufacturing using biotechnology and bio-based materials to participate in the GWPB community outreach session.

EVENT DATE: DECEMBER 9, 2003

EVENT TIME: 9AM—11AM

**LOCATION: RAMADA HOTEL & CONFERENCE CENTRE, PINETREE ROOM 1
716 GORDON STREET, GUELPH**
